

PLANS TO RE-OPEN SASKATCHEWAN

On April 23, 2020 the Government of Saskatchewan released their 5-phase plan to gradually and cautiously re-open Saskatchewan businesses and services. Throughout the re-opening process, the transmission of COVID-19 will be continuously monitored and the re-opening strategy may change as needed.

1

MAY 4, 2020

- Re-opening of the following medical services: dentistry, physical therapy, optometry, opticians, podiatry, occupational therapy, and chiropractic services
- Re-opening of fishing and boat launches
- Re-opening of golf courses starting May 15
- Re-opening of parks and campgrounds starting June 1
- Gatherings of up to 10 people

2

MAY 19, 2020

- Re-opening of retail businesses and shopping malls
- Re-opening of select personal services such as hair stylists/barbers, registered massage therapists, and acupuncturists
- Gatherings of up to 10 people

3

DATE TO BE DETERMINED

- Re-opening of remaining personal services such as estheticians, tattoo/body piercing artists, manicurists, pedicurists, and sun tanning parlors
- Re-opening of restaurants (with a dine-in limit of 50% regular capacity)
- Re-opening of gyms and fitness facilities
- Re-opening of childcare facilities
- Gatherings of up to 15 people

4

DATE TO BE DETERMINED

- Re-opening of indoor and outdoor recreation and entertainment such as swimming pools, curling rinks, arenas, theatres, museums and galleries, bingo halls, casinos, municipal parks, and playgrounds
- Re-opening of recreational and athletic activities
- Gatherings of up to 30 people

5

DATE TO BE DETERMINED

- Consider lifting long-term restrictions
